

FREE CUB CAMP QUALIFICATIONS

Key Staff –

Five key positions at each Cub Camp qualify for free registrations: Admin Director, Program Director, Health Officer, or Range Office (Archery or BB Gun). These 5 positions may choose to send their children to one of the Day Camps, Fun with Son Camps, or Southern Shores Webelos Camp for free. Any location can be chosen, does not have to be the camp that was worked.

If the youth wishes to attend the North Woods Webelos Camp, then a discounted fee will be applied towards the regular price fee of \$70. Which camp the staff worked will determine the fee (on time fee prices only) applied towards North Woods.

This is limited to one youth per family per camp.

In all instances the following applies:

- ~ One free camp per **family** per camp staffed. Must staff BOTH days of a camp to qualify for the free registration.
- ~ Youth only; no adults fees will be free. Fun with Son includes adult/child set.
- ~ Free camps must be redeemed at time of registrations; must be in by registration deadline.
- ~ Child qualifying for free camp must complete camp registration forms and be included on the Unit Camp Roster. Indicate “Free” on paperwork and indicate the camp the parent is staffing.
- ~ No credits will be given after camp has been held.
- ~ Free camps can not be transferred to another youth.
- ~ Twin Valley Council reserves the right to refuse any claim as necessary.
